Contact Collaborations (aka *Contact Quarterly*/Contact Editions/Videoda) Statement of Privacy

Contact Collaborations is committed to protecting your privacy. This Statement of Privacy applies to Contact Collaborations website and governs data collection and usage at all Contact Collaborations sites and services; it does not apply to other online or offline sites, products or services.

Contact Collaborations is a general audience website, intended for users of all ages. Personal information of all users is collected, used, and disclosed as described in this Statement of Privacy.

Collection of your Personal Information

As an E-commerce website, Contact Collaborations collects personal information, such as your e-mail address, name, home or work address or telephone number, credit card numbers. Information collected by Contact Collaborations is used solely for the purpose of billing and shipping your online purchases but is not retained. Contact Collaborations does not collect any information about your computer hardware and software.

Contact Collaborations encourages you to review the privacy statements of websites you choose to link to from Contact Collaborations so that you can understand how those websites collect, use, and share your information. We are not responsible for the privacy statements or other content on websites outside of the Contact Collaborations website.

Use of your Personal Information

Contact Collaborations and its operational service partners collect and use your personal information to process product orders and deliver the products requested. It is possible that Contact Collaborations may also use personal information to inform you of other products or services available from Contact Collaborations and its affiliates.

Contact Collaborations may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Contact Collaborations does not sell, rent, or lease its customer lists to third parties.

We occasionally hire other companies to provide limited services on our behalf, such as handling the processing and delivery of mailings, providing customer support, processing transactions, or performing statistical analysis of our services. We will only provide those companies the personal information they need to deliver the service. They are required to maintain the confidentiality of your information and are prohibited from using that information for any other purpose. Contact Collaborations does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

Contact Collaborations may access and/or disclose your personal information if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Contact Collaborations or the site; (b) protect and defend the rights or property of Contact Collaborations, including its website; or (c) act under exigent circumstances to protect the personal safety of users of Contact Collaborations or the public.

Personal information collected on this site may be stored and processed in the United States or any other country in which Contact Collaborations or its affiliates, subsidiaries or agents maintain facilities, and by using this site, you consent to any such transfer of information outside of your country.

Contact Collaborations abides by the safe harbor framework as set forth by the U.S. Department of Commerce regarding the collection, use, and retention of data from the European Union.

Security of your Personal Information

Contact Collaborations is committed to protecting the security of your personal information. We use a variety of security technologies and procedures to help protect your personal information from unauthorized access, use, or disclosure. For example, we store the personal information you provide on computer systems with limited access that are located in controlled facilities. When we transmit highly confidential information (such as a credit card number) over the Internet, we use a secure payment gateway so your information is protected.

Changes to this Statement

Contact Collaborations will occasionally update this Statement of Privacy to reflect company and customer feedback. If there are material changes to this Statement or in how Contact Collaborations will use your personal information, Contact Collaborations will prominently post such changes prior to implementing the change. Contact Collaborations encourages you to periodically review this Statement to be informed of how Contact Collaborations is protecting your information.
